Membership—What's in it for You?

The Answer is Simple...

As a PMI Member, You Can...

Shape the future of project management

Join leaders who look to the future, watch trends and influence them in the project management field.

Exchange ideas with global thought leaders

Tap into the brilliant minds of PMI members across the globe and leverage their collective experience and ideas.

Join a collective voice

Raise your voice for change, innovation and the advancement of project management, as well as organization and government success. Together we can influence change!

Impact leading edge development and innovation

Join fellow members and influence the future of how businesses will ultimately succeed. Be part of the development, not just a passive recipient.

The resources, programs and services you need to obtain valuable knowledge, network with project professionals around the globe and advance your career.

When you join PMI, you become part of a community of over 500,000 project professionals in over 185 countries.

Our members benefit from many valuable resources that help them learn, connect and advance.

Access career development resources

Build knowledge and advance to the next level of expertise. We have the tools you need, when you need them, whether it's a short-term skill for a project today or a certification to help advance your career.

Advance your career

Be seen where hiring managers are looking. Organizations around the world go to PMI to find talent. Want your next employer to know you're one of the best? Become a PMI member.

Get involved in the PMI Educational Foundation (PMIEF)

PMIEF is the nonprofit, humanitarian arm of PMI. This public charity promotes project management for social good. PMI members and volunteers facilitate these activities by bringing PMIEF materials into classrooms, communities and organizations. To learn more go to: PMIEF.org.

Talk with subject matter experts

Leverage the experience and expertise of over 500,000 PMI members worldwide. If you need information or insight, don't go it alone or reinvent the wheel; engage your fellow members. Problem solved!

Maintain your project management certification

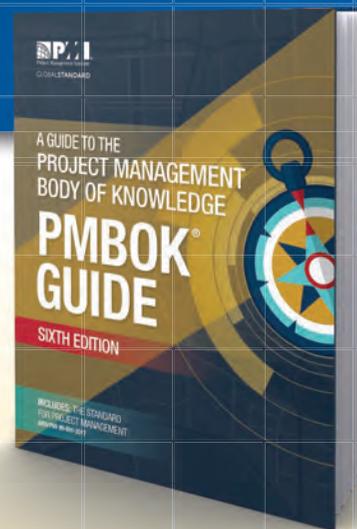

Let the organization that created your certification also help you keep it. As a member, you have access to substantial resources to help maintain your certification while you gain powerful knowledge to help you advance your career.

To learn more about these and additional member benefits, please visit PMI.org/benefits and ProjectManagement.com

Member Resources

As a member of PMI, you will have access to these powerful resources:

PMI Global Standards

Ensure that your project management knowledge and frameworks are up to date. Turn to PMI's global standards—the foundation of the profession. And because they're created and updated by both volunteer committees and the general public, you can be confident that our standards continually and accurately reflect the evolving profession.

Communities

Chapters—the local chapter is the heart of your membership. Here you can connect with others locally to achieve great strides in your career and in your industry. Share solutions and ideas while enjoying professional development and networking events.

ProjectManagement.com—is a centralized location for all your community, content and collaboration needs. Access thousands of articles, templates and webinars, all designed to help you do your job. Take advantage of PDU-earning webinar opportunities. Create content, collaborate with your peers, and connect with other members within the community to build your influence. You will even earn a digital badge through your participation to display your expertise! Join today by using your PMI login credentials to access the world's largest global online community for project professionals.

Volunteer Community—volunteering with PMI allows you to enhance the profession of project management, leverage career advancement opportunities and build your professional network by forging lasting relationships with thousands of professionals worldwide.

PMI Publications

Receive our award-winning publications containing compelling articles to sharpen your skills and keep you informed. These publications include:

PM Network®—keeps you updated on the latest tools, techniques and best practices.

PMI Today®—a monthly publication with the latest developments about certification, research, standards, education and training, as well as news from chapters and more, just for members.

Project Management Journal®—a peer-reviewed academic publication focused on management techniques, research, theories and applications.

PMI Live Events

PMI® Global Conference, PMI® EMEA Congress and other regional events provide professional development, networking, information sharing and recognition for project practitioners from the region and around the world.

The Project Management Job Board

Post your resume on the PMI Job Board. It's the premier job board and recruitment resource for the project management profession. Search for open positions and get matched with your next career.

Knowledge Shelf

Explore this growing resource of peer-submitted and reviewed articles contributed by project managers. Knowledge Shelf is a great place to expand your understanding of the different aspects of project management. Visit ProjectManagement.com to learn more.

Member Programs and Services

PMI members also receive access to these exciting programs and services:

On-Demand Webinars

An extensive library of webinars addressing project management trends, best practices and much more—all available to help you make meaningful contributions to the projects you work on or lead.

Discounts on Resources

Members save up to 30% off PMI® Store purchases, such as books and multimedia, as well as discounts on PMI e-learning courses, certification exams and renewals.
