

SHARPEN SKILLS | BE A LEADER | BUILD YOUR CAREER

# Build your career in project management

**One global community. Many local ways  
to start your project management career.**

- Become a PMI member
- Join a local chapter
- Earn a globally recognized certification
- Access our professional network

## Sharpen Skills

### LEARN AND EARN PDUS WITH IN-PERSON OR ONLINE COURSES

Is there something missing from your project management skill set? Gain practical project, people, and leadership skills from PMI courses. SeminarsWorld® features in-person seminars taught by skilled instructors with a background in project management. Online courses provide the convenience of logging on and learning anytime, anywhere. Learn more at [learning.PMI.org](http://learning.PMI.org).

### LEARN MORE ABOUT PROFESSIONAL DEVELOPMENT OPPORTUNITIES THROUGH PMI REGISTERED EDUCATION PROVIDERS (R.E.P.S)

A good way to find project management courses on any topic is through PMI's worldwide network of Registered Education Providers. These are organizations approved by PMI to provide project management training based on PMI-established criteria and to issue Professional Development Units (PDUs) for course completion.

### CONNECT TO ONE OF THE LARGEST PROJECT MANAGEMENT RESOURCES ANYWHERE!

An automatic benefit of your PMI membership is complete access to all of the resources on [ProjectManagement.com](http://ProjectManagement.com). On it you can find:

- Over 14,000 articles from industry experts who help you jumpstart your projects
- Over 1K Deliverable Templates to save you time and effort
- Over 800K peer connections and experts to offer specific advice, whether it's through our social networking system or our discussion forums

This global community is your one-stop resource for project management answers—helping you navigate, network, and collaborate among your peers.

### PMI IN-PERSON EVENTS

Global Conference, EMEA Congress and other regional events provide professional development, networking, information sharing and recognition for project practitioners from the region and around the world.

## Be a Leader

### BECOME A SPECIAL PROJECT TEAM VOLUNTEER

Your PMI membership opens the door to a wide range of volunteer opportunities that will help expand your job-related skills and build valuable leadership experience. Many volunteer roles also allow you to earn PDUs toward maintaining your PMI certification.

### CONNECT LOCALLY AND VIRTUALLY WITH OTHER PMI MEMBERS

One of the great benefits of PMI membership is the ability to connect with your peers through PMI communities. By joining a community, you can meet and network with other project professionals both locally and virtually, sharing ideas and collaborating on projects.

PMI membership includes many free resources that can help you power your career and earn valuable PDUs including:

- 1000+ tools, templates and webinars
- 4 virtual events each year
- Discounts up to 30% off live events, online courses and popular books in the PMI Store
- Networking with project managers around the world

Plus, PMI membership includes free access to these digital publications:

- *A Guide to the Project Management Body of Knowledge (PMBOK® Guide)*, available in 12 languages
- The complete library of PMI Standards
- *PM Network®* monthly magazine

## Build Your Career

### OBTAIN A PMI CERTIFICATION

As projects become more complex, many employers are demanding certified professionals. Earning a certification is one of the best ways to distinguish and build your career. Respected around the world, PMI certifications will help you transfer your growing skills across industries and across borders. Invest in your job stability by obtaining a PMI ISO-accredited certification.

**Project Management Professional (PMP)®** – recognizes competence to perform in the role of a project manager, specifically experience in leading and directing projects.

**PMI Risk Management Professional (PMI-RMP)®** – recognizes demonstrated knowledge and competency in the specialized area of assessing and identifying project risks along with plans to mitigate threats and capitalize on opportunities.

**PMI Scheduling Professional (PMI-SP)®** – recognizes demonstrated knowledge and competency in the specialized area of developing and maintaining the project scheduling.

**PMI Agile Certified Practitioner (PMI-ACP)®** – recognizes knowledge of agile principles, practices, and tools and techniques across agile methodologies, not simply limiting a practitioner to one agile approach.

**PMI Professional in Business Analysis (PMI-PBA)®** – recognizes expertise in business analysis. It spotlights ability to work effectively with stakeholders to define their business requirements, shape the output of projects and drive successful business outcomes.

Looking to move your career forward? PMI membership builds connections to the people and resources critical to your success. When you join a global community of more than 500,000 project professionals, you will build important professional relationships, improve your skills, and gain the most up-to-date project management knowledge.
